WORKING PAPER

SUMMARY OF INFORMATION

The vessel with the Call Sign, [redacted] sailing from Santo Domingo, Dominican Republic, is currently located about north northwest of Columbia at a point indicated by "X" (ENCLOSURE 1). The vessel's Port of Registry is indicated as Brazil. The ship is carrying a substantial amount of heroin. This vessel will soon be experiencing mechanical/engine difficulty. This will force the vessel to deviate from its intended course and destination.

SG1A

On or about 28 September 1988, or sooner, the vessel will be located in the Gulf of Mexico in an area estimated at about 200/250 miles south of New Orleans, Louisiana. See ENCLOSURE 2. At that time, the vessel will be more or less dead in the water while trying to make necessary repairs.

Efforts to determine the name of the vessel bearing Call Sign [redacted] resulted in the following phonetics: V A P \* M E I R and V A P \* M A H I E R.

\* Indicates a "missing letter".
